**WHEREAS**, on March 26, 2013, the VASP Accreditation Committee ("VAC") met and discussed pertinent matters in relation to the renewal of the VASP's Accreditation;

**WHEREAS**, during the meeting, the Technical Working Group ("TWG"), headed by Nomie V. Gonzales, recommended that the following VASPs be Accredited for a period of one (1) year:

1. Cargo Data Exchange Center ("CDEC")
2. Intercommerce Network Services ("INS")

**WHEREAS**, the one (1) year Accreditation of the above VASPs was granted based on the following reasons:

1. That the current VASPs have complied with their respective Service Level Agreement ("SLA");
2. That the VASPs have been performing the mandated functions of reaching out to the stakeholders of the Bureau of Customs ("BOC") and transmitting electronic transactions to BOC;
3. That the VASPs have been responsive and compliant with the TWG evaluation procedures;
4. That the VASPs have complied with the requirement of the payment of VASP fees; and
5. That the VASPs are contributing vital functions to BOC operations and disruption of their operations will cause a similar impact to BOC transactions.

**WHEREAS**, the recommended one (1) year Accreditation shall be valid until March 31, 2014, inclusive of probationary accreditations granted in April 2013 to June 2013;

**NOW, THEREFORE, BE IT RESOLVED**, that by this Resolution the VAC concurs with the above stated recommendation and grants a one (1) year Accreditation to CDEC and INS to operate as the VASP for the BOC until March 31, 2014; provided, further, after the expiration of the said Accreditation, all applications (whether new or renewal) for VASPs must comply with the criteria set forth by the VAC.
